## CAUTION DANGER

The Rere Rockslide can cause injury without the use of padding material or if the river is running high. Swimming at this particular site is at the risk of the user. All children are to be supervised by a caregiver at all times.

BY ORDER GDC

### PROTECT OUR WATERWAYS

Watch out for the spread of Didymo and other freshwater pests. Always:

**CHECK**

Wash all outdoor gear (boats, kayaks, rafts, etc.) before use to prevent the spread of Didymo and other freshwater pests.

**CLEAN**

Remove all Didymo and other freshwater pests from your gear before leaving the water.

**DRY**

Wash gear in hot water and dry thoroughly to kill Didymo and other freshwater pests.

## SWIMMING

USUALLY THIS RIVER DOES NOT COMPLY WITH HEALTH GUIDELINES THEREFORE THERE IS AN INCREASED RISK OF ILLNESS TO SWIMMERS

GDC ENVIRONMENTAL HEALTH (06) 8672049

## NO DOGS
